Summary of the transaction size calculation

The assets acquisition transaction

Basis of calculation	Transaction size
1. Net tangible asset (NTA) value basis	Cannot be calculated
2. Net profit basis	Cannot be calculated
3. Total value of consideration basis	257.28%
4. Value of securities issued as consideration for the acquired assets basis	Cannot be calculated

Note: NTA = Total assets – Intangible assets – Total liabilities – Non-controlling equity (if any)

The assets disposal transaction

Basis of calculation	Transaction size
1. Net tangible asset (NTA) value basis	Cannot be calculated
2. Net profit basis	Cannot be calculated
3. Total value of consideration basis	29.90%
4. Value of securities issued as consideration for the acquired assets basis	Cannot be calculated

Note: NTA = Total assets – Intangible assets – Total liabilities – Non-controlling equity (if any)

In the past six months, the Board of Directors approved hotel renovation budget of the group and investment in subsidiaries and new project. The total size of transaction was 5.17% based on the value of consideration basis. When including the three acquisition transactions with those in the past six months, the highest value of acquisition is 262.45% based on a total value of consideration basis which is considered a Class 4 transaction in accordance with the Notification on Acquisition or Disposition of Assets. The total value of which equals or exceeds 100%. However, since those acquisition transactions meet requirement of exemption as per Clause 24 under the Notification of the Board of Governors of The Stock Exchange of Thailand RE: Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition and Disposition of Assets B.E. 2004. The Stock Exchange of Thailand may not treat them as a new listing application, i.e.:

1. The acquired business is in a similar line of business or an mutually supporting business to the listed company;

(Translation)

2. The listed company has no policy to make a major change in its main business after the acquisition;
3. The enlarged group resulting from the acquisition of assets has suitable qualifications for listing with the Exchange;
4. There will be no material change in the composition of the board of directors of the listed company or in the power to control the listed company or in the controlling shareholders of the listed company;

The acquisition of assets of the Company meets all requirements of Clause 24. Therefore, the Company shall report disclosing the acquisition of assets to the Exchange and shall convene a shareholders meeting to approve the decision to enter into the transactions which shall require at least $\frac{3}{4}$ of the total votes of the shareholders attending the meeting and have the right to vote, excluding interested shareholders' equity. The Company shall send the Notice calling shareholders meeting together with the opinion of the independent advisor at least 14 days before the date of shareholders meeting. The Board of Directors of the Company resolved to propose the transactions to the shareholders to consider and approve at its shareholders meeting on 27 April 2017.

The Company does not have the disposition of assets to calculate the aggregate size of disposition in the past six months. The disposition of the assets as mentioned above has the highest transaction size equal to 29.90% on the total consideration value basis which is considered as Class 2 transaction in accordance with the Notification on Acquisition or Disposition of Assets which is equal to 15% or more but lower than 50%. However, since this transaction of disposition of assets is part of the mixed-use property development project, the Company will propose this transaction to the shareholders for approval together with the transaction of acquisition of assets as mentioned above.
